

[Character profiles/bio's and descriptions]

Bella Swan

In love with Edward (and Jacob at times). She is often insecure and in turn finds safety in Edward (and Jacob.) She is very intelligent, and able to work out many of the strange goings on that happen in Forks. She is head strong and stubborn, and physically she is very clumsy. She is a 'plain' girl, and doesn't go for extravagance or girly things.

Edward Cullen. (Vampire)

Member of the Cullen family. Will do anything for Bella to make her happy. He is very smart and strong, and loves to play the piano. (Particularly for Bella) He has the special ability to hear everyone's thoughts.

Jacob Black (Were-Wolf)

Part of the Quileute tribe. Lives in La Push (a reservation) with his father Billy. He is the descendant of Ephraim Black, the last chief of of the Quileute's. He is tall, and super strong. He loves Bella, and wishes that Bella would give up her 'thing' for Edward. He also will do anything for Bella.

Charlie Swan

Bella's Dad. Charlie is the Chief of Police in Forks, and often has to investigate the strange goings on caused by the fantasy and mythical world inhabited by vampires and were-wolves. He has lived alone for a long time, and is hopeless at cooking, and other domestic duties. Bella looks after him well.

Carlise Cullen (Vampire)

Carlise is the Dr. in Forks. He is married to Esme, and is the head of the Cullen Coven. He has transformed (turned to vampire), Esme, Edward, Rosalie and Emmett, but only because they were about to die. He is kind and compassionate and has pioneered a Vampire vegetarian lifestyle (they don't drink human blood).

Esme Cullen (Vampire)

Esme is married to Carlise. She is a mother figure to Edward, Rosalie, Emmett, Alice and Jasper. She is the quiet backbone of the Cullen family.

Alice Cullen (Vampire)

Alice is overly enthusiastic and extravagant. She never wears the same thing twice. She's constantly on at Bella about wearing new and more exciting clothes. Bella and Alice are polar opposites. This doesn't hinder a close bond and friendship between Alice and Bella. Alice's special talent is the see into the future. Although she cannot see the future of wolves. Alice was not transformed by Carlise, but rather joined with her partner Jasper. The Cullens provided a safe and family environment for them.

Jasper Whitlock (Vampire)

Jasper is Alice's partner, and he would do anything for her. He is more intense and scary than some of the other Cullens. He has had a traumatic Vampire past, before joining the Cullens. And still struggles with the good and vegetarian ways of the Cullens. His special talent is to influence and read people's emotions.

Rosalie Hale (Vampire)

Rosalie is the most attractive of all the Cullen's, and it takes Bella a long time to like her. Rosalie's partner is Emmett. Rosalie becomes quite influential in Bella's decisions about life/death choices, and in the end becomes a strong protector and advocator on Bella's behalf.

Emmett Cullen (Vampire)

Emmett is Rosalie's partner. He is the strongest and most physically capable of all the Cullens. He delights in making fun of Bella's clumsiness and her relationships with Edward.

Renee Dwyer

Bella's ditsy mother. She is currently married to a baseball player (Phil), and travels the country with him. That is why Bella went to live with Charlie. Renee is more like Bella's child, and Bella ends up playing the mother figure to her. She does care for Bella, and is deeply insightful about Bella's feelings.

Billy Black

Billy is Jacob's father. Part of the Quileute tribe. He is in a wheel chair... He is a great source of knowledge for all of the ancient legends and myths of the Quileute tribe. He doesn't really approve of Jacob's friendship with Bella. He is Charlie's best friend.

Renesmee Cullen

Half immortal child of Bella and Edward. She almost killed Bella in-utero, thus leading to Bella's transformation. She grows exceptionally fast, and has the special talent of being able to show people her thoughts and memories, by touching them.

Sam Uley

The alpha leader of the pack and member of the Quileute tribe. Jacob and Sam do not always see eye to eye. Sam was the first to transform into a wolf, and as a result help the new transformers to adjust to the wolf life. To others it appeared as if he'd started a cult. He imprinted on Emily, and they are engaged.

Quil Ateara

Becomes of member of the pack after Jacob, and Embry. He is one of Jacob's closest friends. He is the grandson of Old Quil - one of the original Quileute tribe elders.

Embry Call

Jacob's best friend. He transforms into wolf before Jacob.

Seth Clearwater

Seth the youngest of the Clearwater's. He and his sister Leah transform to wolves at the same time.

Leah Clearwater

Leah and Sam were together at school, before Sam changed into a wolf. When Sam changed, he imprinted on Emily, thus breaking Leah's heart. She is the only female to transform into wolf.

The Volturi

The Volturi are a civilised and educated Vampire coven living in Italy, lead by Aro, Marcus and Caius. They are the higher authority on the rules and laws of being Vampire, and like to enforce justice.
